**WITH A GIANT-PRIZE
FISHING CONTEST FROM
ODDS ON PROMOTIONS.**

Odds On Promotions has dozens of attention-getting fishing contests and promotions that will help you create sponsorship opportunities, capture headlines and attract more participants to your event. Best of all, when you have a big winner, Odds On Promotions will be there to pay for the prize – up to \$1,000,000! Here's a few of our best-selling fishing contests.

TOP FIVE FISHING CONTESTS & PROMOTIONS

1

GIVE AWAY BIG BUCKS FOR A RECORD-BREAKING FISH

Looking for a guaranteed way to get more lines in the water? Give anglers the chance to drive home with a new boat, house, or a \$1,000,000 prize – paid for by Odds On Promotions – for breaking a state or world record! Or, check out Record Rods and Reels, where you can give away huge prizes for catching a record-breaking fish (state, lake, etc.) while using a specific product (rods, reels, boats, lures, etc.).

2

MATCHING WEIGHT MOOLAH

Here's a great fishing contest where everyone can have the chance to participate! If your angler's or anglers' big catch matches a pre-determined single fish weight or aggregate weight, they'll win a giant prize, paid for by Odds On!

3

TAGGED FISH TREASURE

Tag and release multiple fish prior to your event. If a lucky contestant catches a tagged fish matching the preselected winning tag number, they'll reel in a giant check, courtesy of Odds On Promotions.

4

REELIN' IN THE RICHES

Here's a great way to showcase two sponsors' products and give your tournament winner a chance to win big. We'll send you 40 Lucky Envelopes. Inside each Lucky Envelope is one of three prize symbols (two for prizes supplied by contest sponsors and one that's for up to a \$1,000,000 prize, paid for by Odds On). Then, your lucky contestant simply opens one envelope at a time, unveiling one of the three prizes. The first prize selected five times is the one they walk away with. Grand prizes paid for by Odds On of course!

5

FIRST PLACE, BIG FISH

Send your anglers out for the day to reel in the big one. If the fractional weight (last two decimal places) of the biggest fish caught matches the preselected number, your angler will go home a winner and Odds On will pay for the prize. Looking for a real winner? Split the prize between a local charity and your angler!
